

Wesko eLocks Privacy Policy

November 16, 2018

Wesko eLock "the App" provides service to administrate and use Wesko eLocks via smartphone over Bluetooth. App works only when the smartphone is within close proximity to one or more eLocks, generally in a secure office environment. "the Service" is provided to end customers of office furniture manufacturers or other OEM manufacturers that included Wesko eLocks in their furniture. This Privacy Policy describes how personal information is collected, used, and shared when you install or use the App in connection with your Wesko eLock.

Personal Information the App Collects

When you install the App, the following data is entered by you and stored on our servers: Name, email address and other information only if entered. Electronic lock information including macID, broadcast name, serial number and passcodes is also stored.

How We Use Your Personal Information

We use the personal information we collect from you to provide the Service and to operate the App. Additionally, we use this personal information to: communicate with you; optimize or improve the App; and provide you with information relating to our products or services.

Sharing Your Personal Information

Personal information is not shared with any third parties for any reason.

We may share your personal information to comply with applicable laws and regulations, to respond to a subpoena, search warrant or other lawful request for information we receive, or to otherwise protect our rights.

You have the right to access personal information we hold about you and to ask that your personal information be corrected, updated, or deleted. If you would like to exercise this right, please contact us through the contact information below.

Data Retention

Once you subscribe to the Service, we will maintain your Information for our records unless and until you ask us to delete this information.

Changes

We may update this privacy policy from time to time in order to reflect, for example, changes to our practices or for other operational, legal or regulatory reasons.
